911 Calls/ Check Homeowner Insurance Policy for Fire Coverage

CHECK YOUR INSURANCE POLICY!

Residents are reminded that the annual fee the Village pays for fire protection only supports the maintenance of the fire department. If the volunteer fire department is called out to fight your fire or respond to an emergency / 911 call / false alarm, you will be billed for their services.

Also, if there is a delay of 15 minutes or more for an ambulance, the fire department is automatically dispatched. Calls such as stroked or cardiac arrest also initiate a fire department response.

Doris McAllister – Bylaw Officer

Doris McAllister is on board to assist Norris Beach residents with bylaw questions and concerns, including parking, noise, animal control, etc. Doris can be reached at 1-780-719-6447.

Wishing you the best of the Holiday season. Stay safe!
