I/we, the undersigned agree to:

- Obtain a Temporary Field Authorization from Alberta Environment and Parks and provide a copy to the Summer Villages Office.
  - The ratepayer **MUST MARK AND IDENTIFY THEIR HOIST** in accordance with the regulations pursuant to Transport Canada *Navigable Waters Protection Act (NWPA)* Program with permanent markings or weatherproof paint. The boat hoist must clearly be identified with the owners name and municipal address and be marked with appropriate yellow reflective tape to identify the hoist location in darkness.
  - Protect natural vegetation and remove noxious weeds on the adjacent shoreline.
  - Preserve natural vegetation on the Village property.
  - Ensure all equipment is used safely and in a manner respectful of neighbours.
  - Provide unobstructed access along the lakeshore for pedestrians.
  - Label equipment with owner's lot number.
  - Place equipment in an approved area only.
  - Indemnify the Summer Village from any or all liability with respect to the above-noted equipment.
- Note: If circumstances change, the Summer Villages reserves the right to amend or withdraw the consent.
